## Tribune & Georgian

Serving Camden County, Georgia since 1894

The *Tribune & Georgian* is Camden County's newspaper. It is the only complete source of local news and has the best market coverage of any media in the County. The *Tribune & Georgian* is published every Thursday. Distribution to subscribers is through the mail with rack and vendor sales to non-subscribers.

### HOW TO USE THIS RATE CARD

All rates are per column inch. To determine the price of an ad, it is necessary to establish the ad size. For purposes of rates, the ad's width is measured in columns and the depth in inches. An ad referred to as a 2x5 is actually 2 columns x 5 inches. The width is then multiplied by the depth (example: 2 columns times 5 inches = 10 col. inches). To determine the price of an ad, multiply the size by the rate listed in the appropriate grid on the opposite page. The open rate is for all advertising unless an advertising agreement has been signed.

### GENERAL RATE POLICIES

The *Tribune & Georgian* reserves the right to revise advertising rates. Contract holders will be notified in writing 30 days prior to rate adjustments. The advertiser may terminate the contract on the effective date of the new rates upon written notification to the publisher.

All advertisements are subject to approval. Advertisements that simulate editorial content and political ads must be identified as advertisements.

Liability for errors in ads shall not exceed the cost of the space occupied by the error. Errors should be brought to our attention within 10 days of publication.

Page size: 6 col. x 21.5 inches • Double truck billed as 13 columns  
Printing: 46" Web offset • Halftone screen: 65, 85 or 100 lines.
